

You should expect more from traditional nurse call systems.
Hill-Rom agrees.

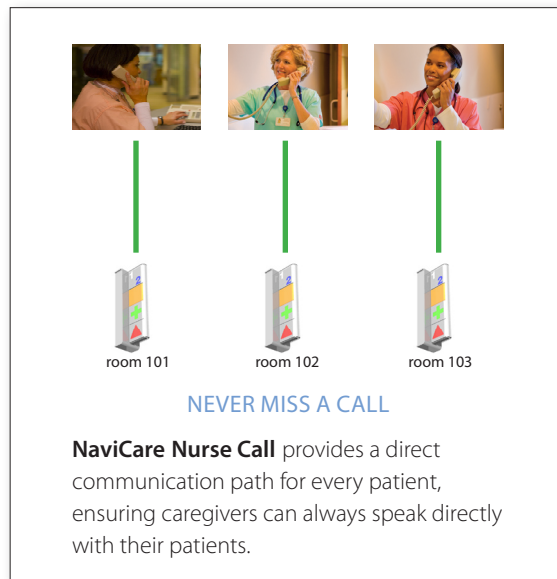

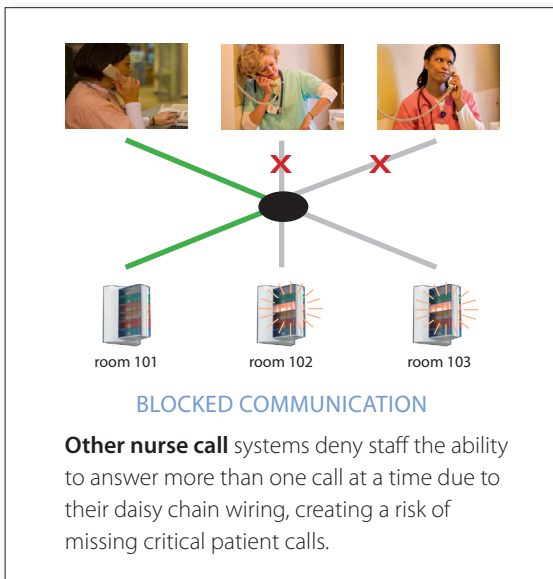

Never Miss a Call

Introducing NaviCare® Nurse Call... Re-defining Nurse Communications

Having clear voice quality and the ability to never miss a patient call are fundamental requirements for nurse communication systems. However, the evolving use of wireless communication devices are making traditional nurse call systems obsolete.

Only NaviCare Nurse Call can provide a direct communication path to every patient room, ensuring caregivers can always speak directly with their patients.

THERE IS NOTHING TRADITIONAL ABOUT NAVICARE NURSE CALL
